Mission: To change millions of lives through Education.

Some of our proceed will be donated to feed unfortunate individual in the Philippines.

We practice Four Rights- Right Students, Right Information, Right Program, and Right Institution.

ECC School Affiliation

ECC is affiliated with reputable career colleges across Canada. These colleges have been providing high quality education for years. They offer wide range of programs for Information Technology (IT), Business, and Health for local and international students.

Students Expectation

Alberta has multiple private career colleges that offers career-based training and education. Most of the colleges has industry-experienced instructors and with small class setting, the students feel more connected and has the opportunity to know more of their instructor and classmates. It's a great way to know your community and learn about them.

The colleges will ensure that student will be supported and give the right support they need to successfully complete the program and reach their goals.

Living in Canada

Living in Canada can be a life-changing experience. It is a popular living location for people who is looking for great job opportunities, quality of schooling and living cost. Canada has the strongest economies and known as the world's most prosperous nations.

Canada is also proud of it's beautiful places, scenery and rocky mountains, the best for people who loves outdoor activities. It also has fascinating weather and wonderful neighborhood.
